A total of 540 people were promoted from a population of 2,984 eligible. The promotion rate was 18.1% USAF wide. I wish we could promote more.

Average USAF-wide selectee data:

- Total score: 653.35
 - ◆ EPRs: 134.99
 - ◆ Board score: 377.28
 - ◆ USAFSE test score: 65.78
 - ◆ TIG: 30.76 (3.97 years as a SMSgt)
 - ◆ TIS: 22.4 (21.38 years in service)
 - ◆ Decorations: 22.14

I only wish we could have promoted more of our folks. In a field of our size (about 700 enlisted), one Chief per year is typical.
